

Ohio Revised Code

Section 3734.125 Rules governing beneficial use of material from a horizontal well.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

The director of environmental protection may adopt rules in accordance with Chapter 119. of the Revised Code establishing requirements governing the beneficial use of material from a horizontal well that has come in contact with a refined oil-based substance and that is not technologically enhanced naturally occurring radioactive material.
